# Wands for Wildlife

Recycle & Save Wild Lives!

A wildlife rehabilitation nonprofit in Western North Carolina, recycles old mascara wands to help remove fly eggs and larva from the fur of animals. They work great because the bristles are so close together and gentle to use on the injured and orphaned wild animals receiving care.

By gathering old mascara wands,  
you help to save wild lives!

Please send your cleaned mascara wands (Dawn dish detergent is recommended) to me by June 15 to be personally hand delivered to the refuge. Any wands received after June 15<sup>th</sup> will be hand delivered in August.
