10 Lucky Winners and their Beauty Consultants will each **win a trip for two to Santa Monica, CA** – including luxury accommodations and the opportunity to be included in a VIP phot shoot. The winners will also receive \$1000 spending cash!

Hello Fabulous Women of Excellence- It is BOOM BOOM JUNE!!!

The month, where the Best of the Best break out and do the "And then Some!" For me, it's my favorite month....because many of you do at least twice the amount of business that you have ever done!!

I have booked 13 classes all over the United States....to show your customers the new foundations and chromafusion!!! I am thrilled to jump into my car or take a plane and meet your friends and customers. I consider it such an honor!!!

Sooooo we only need \$43,200 to meet our goal and to make HISTORY. You will be in the Top 150 Units of all of Mary Kay....that is REMARKABLE...I would put it on a page of my flip chart - Women love to learn and work with the BEST OF THE BEST!!!

My goal is also that we build our unit by 10 new strong consultants in June. Who do you know that is a leader...that has great work ethics...that love to help and mentor other women....that are TEAM players!!!

I can't wait to see how many NEW REDS will be added to our Unit by June 30th!!! Or our current Reds move to Team Leaders. I am always thrilled that someone believed in me enough to ask me. Who do you believe in?

God has a plan for each and every one of you and I can't wait to see them all come to fruition!!! Believe in YOU and your GOALS!!! Set Goals...dream BIG and I will see you at the TOP

Love and belief

The purpose of the **Star Consultant Program** is to set a minimum standard for consultants who want to **make significant money and move ahead in their careers**. You have a choice to work 5 hours a weekend to make a little pocket change or to work 40 hours a week and make some real money. It's a choice you make. The great thing about a MK Career is that **you can bump up your hours at any time** and take your business from a part-time hobby to a full-time career. We also get paid to **work smart**. We can do things like interview the hostess following her class, make phone calls while waiting to pick up the kids, and bring samples to their baseball games, the pool, or your book club. **Decide today** how many hours you will spend working, and then **do it with commitment and consistency every week**.
