Your hands have helped in many ways,
Here's a treat for these cold winter days!

Satin Hands makes them smooth and soft,
Wash them again; the moisture won't wash off!

Pull on the gloves before pumping gas,
This trick will help your good gloves last!

Christmas!*

*Was told that you've been good this year;
always glad to hear it!
With freezing weather drawing near
you'll need to warm the spirit.
So here's a little Snowman Soup
complete with all the fixings.
Add hot water, stir with the cane;
the flavor's in the mixing!
Then as you sip and enjoy your treat,
energize your legs and feet.
You deserve it because it's clear-
you've been really good this year!*

Since November
you've been shopping.
Barely sleeping,
hardly stopping.

You need a break,
you feel beat.
Sit down, relax,
treat your feet!

Hope this helps to
save the day.
Have a
happy holiday!
