

Girlfriend Time!

I am really excited about our Girlfriend Time we have scheduled on _____ at _____. We will work together to ensure that you and your girlfriends will have lots of fun, learn something new, and can shop and play. This is a great time to reconnect, pamper yourselves, and have a lot of fun!

Let's keep it SIMPLE . . . You focus on the FUN and I'll do the rest. Feel free to invite as many girlfriends, family members, neighbors, and co-workers as you would like because we know schedules change and everyone will not be able to attend. I look forward to a fun and special time for you and your "girlfriends"!

As a Hostess, there are some things that you can do to ensure that you have the very best and PROFITABLE Girlfriend Time that you possibly can!
