

Create Your Own Look Card / Custom Color Card

Sample custom color card

1. Assemble 3 eye colors, 1 cheek color (or bronzer/highlighter), and 1 lip color.
2. Label eye color samples with numbers 1, 2 and 3. (Light = 1; Medium = 2; Dark = 3) with permanent marker (write this directly on the plastic film).
3. Remove the adhesive seal on the back of the eye colors and cheek color and stick on an index card (shown above).
4. Tape the lip color to the card (shown above).
5. Instruct guests to apply eye color in this order:

1) #1 from crease to brow (on upper lid)

2) #2 from crease to lash (on lower lid)

3) #3 along the lash line and in the crease, from the middle of the eye to the outside of the eye (making a sideways "v" shape)
