

BOTANICAL EFFECTS SKIN CARE CLASS TRAY SET UP

Tray set up:

Demos You Want to Show:

- ◇ **FULL SIZE** Botanical Effects Line
 - ◇ You want to be able to show them the full size products that they would be taking home!
 - ◇ Only use a VERY SMALL AMOUNT of the mask, like a small pea! They will only be using this on the back of one of their hands.
- ◇ Foundations
- ◇ Lip Gloss
- ◇ Goodie Bags are the same as a Miracle Set facial but with an extra flat cotton pad for the Freshener.

Directions for use with the Repair Skin Care Class Guide:

Replace pages 5-10 of the Skin Care Class guide with the Botanical Effects Skin Care Class guide inserts. This will take you from talking about their skin to romancing the Botanical Effects Line. Remember to demonstrate spraying the Freshener onto the flat cotton pad!
