A Life-Changing OPPORTUNITY

What if you could love your work and enjoy doing the things you love in life?
Mary Kay gives you the chance to do that and MORE as a small business owner while you support your family and your own dreams.

These are some of the reasons people chose to
START A MARY KAY BUSINESS!

MONEY

You can make money having parties and your earning potential is up to you!

RECOGNITION

From fabulous prizes to heartfelt words of praise, it feels good to be appreciated for your every accomplishment.

SELF-CONFIDENCE

You can become more confident, empowered and inspired as you use your strengths to discover success.

CARS

The Mary Kay Career Car program is one of the largest in the world and it drives so many women to succeed!

ADVANCEMENT

See how far the Mary Kay opportunity has taken the real women on Instagram*
#MyMKLife. No glass ceilings here!

BOSS

You can start your own business and decide the working style that works best for you!

Designed for SSD KHL by EdensSite.com

The proof is in the numbers!

Starter Kit Contents

\$394 IN FULL SIZE RETAIL PRODUCTS

Plus Tools & Samples!

WHAT CAN YOU PROJECT FROM YOUR SALES IN 1 YEAR?

The average beauty experience has approximately:
\$200+ in total sales, 4 guests & \$50 in orders per guest
The average customer reorders approximately \$200/year.
We love residual income!

5 SHOWS PER WEEK (15-20 HOURS)

$\$200 \times 5 = \$1,000$ weekly sales
 $\$1,000 \times 50 \text{ weeks} = \$50,000$ annual retail sales
 $425 \text{ customers} \times \$200/\text{year} = \$85,000$ annual reorders
\$135,000 total annual sales = \$67,500 profit

3 SHOWS PER WEEK (6-10 HOURS)

$\$200 \times 3 = \600 weekly sales
 $\$600 \times 50 \text{ weeks} = \$30,000$ annual retail sales
 $255 \text{ customers} \times \$200/\text{year} = \$51,000$ annual reorders
\$81,000 total annual sales = \$40,500 profit

1 SHOWS PER WEEK (2-4 HOURS)

$\$200 \times 1 = \200 weekly sales
 $\$200 \times 50 \text{ weeks} = \$10,000$ annual retail sales
 $85 \text{ customers} \times \$200/\text{year} = \$17,000$ annual reorders
\$27,000 total annual sales = \$13,500 profit
