Summer LOOKS

KISSED BY THE SUN

Eyes: **Sweet Cream** from the lashlines to the brow bones. **Hazelnut** from the lower eyelids into the creases for a contoured effect. Accent creases with **Chocolate Kiss**, and blend well.

Liquid eyeliner in **MK Black**; **Ultimate Mascara in Black**

Cheek: **Bronzing Powder** along cheekbones. Dust **Shy Blush** at the high points of the cheek, and blend well.

Lips: Outline lips with **Light Nude lip liner**. **Sunset Peach** gel semi-shine lipstick and **Fancy Nancy**.

MUST-TRY OMBRE CHEEKS

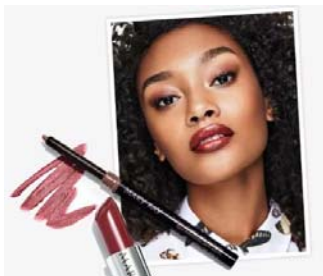

Eyes: **Crystalline** across eyelids. Layer **Espresso** above upper lashlines, and blend into outer corners of your eyes. Diffuse any harsh lines, blend **Chocolate Kiss**, between the two shades.

MK Black eyeliner; **Ultimate Mascara in Black**

Cheek: Apply the blush shade **Ripe Watermelon** from the temple and along the cheekbones. Apply the highlight shade from either the **Ripe Watermelon** or **Juicy Guava** on top of the cheekbones and the "C" zones of the eyes. Dust **Juicy Guava** along the cheekbones and blend.

Lips: Line lips with **Light Nude lip liner**. **Bashful You** gel semi-shine lipstick and **Pink Parfait**.

RED-HOT LIPS

Eyes: Highlight eyelids, upper brow bones and the inner corners of the eyes with **Gold Coast**. Sweep **Chocolate Kiss** across eyelids and along the lower lashlines. **Espresso** in the creases, outer corners and lower lashlines..

MK Black eyeliner; **Lash Love Lengthening Mascara in I ♥ Black**

Cheek: **Golden Copper** along cheekbones.

Lips: Exaggerate the Cupid's bow by lightly lining the top lip with **Deep Nude lip liner**. Line the bottom lip with **Dark Chocolate lip liner**. Apply **Midnight Red** gel semi-matte lipstick and put a touch of **Silver Moon** in the center of the bottom lip and at the top of the Cupid's bow.

THE PERFECT CUPID'S BOW

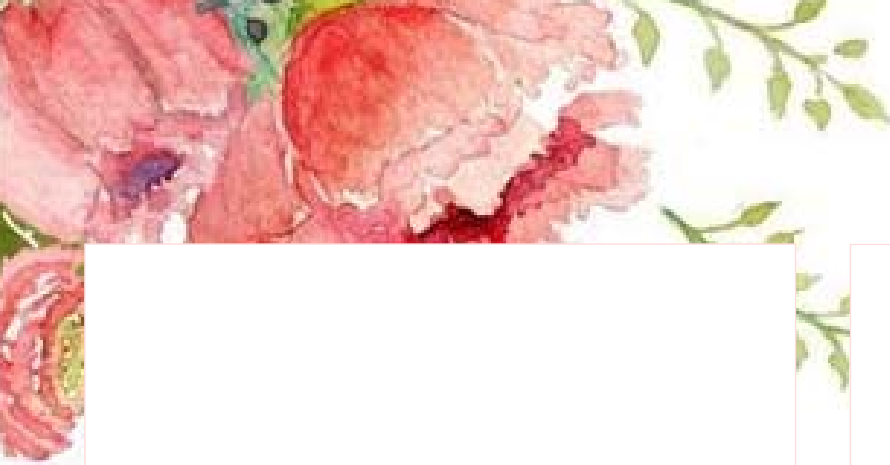

Eyes: Sweep **Crystalline** all over eyelids to highlight. Apply **Precious Pink** over the lower eyelids and blend well. Accent creases with **Rosegold** to create a slight smoky eye effect.

MK Deep Brown eyeliner; **Lash Love Mascara in I ♥ Black**

Cheek: **Shy Blush** to the apples of the cheeks.

Lips: Line lips with **Light Nude lip liner**, exaggerating the Cupid's bow. Swipe on **Bashful You** gel semi-matte lipstick using an **Eye Smudger Brush** (or your finger), smudge the color toward the center of lips. Apply a dab of **Silver Moon** at the peak of the Cupid's bow and in the middle of the fullest part of the bottom lip. Finish with a light, shimmery mineral eye color such as **Sweet Cream** or **Crystalline** just above the Cupid's bow.
