Letter from the Desk of Petie

Happy News from Petie and consultants from New York City!!!

Oh Happy Happy December to all of you!!!!

This letter is a conglomeration of news and feeling from the 5 consultants that joined me in NYC this weekend to watch our Unit being honored on Time Square!!! It was such a thrill...not only to be represented but all the directors and consultants there watching and the OTHER PEOPLE- who wanted to know what was going on!!

Film crews from Mary Kay corporate- Nationals- Directors and consultants- what a thrilling moment and ALL BECAUSE of YOU and everything you did over the 2016-2017 year!!! Every dime- every order, very NEW CONSULTANT- it all added up!!! You truly are a phenomenal unit- one with strength- determination-pride- the "Go-Give" spirit and the act of ALWAYS honoring Mary Kay's wish of the "Golden Rule!" We treat each other just like how we want to be treated- honoring Mary Kay's wishes to never take business away from another beauty consultant!! 🌹

On the way home, I asked Alex Barker, Jeana Walton and Brenda Billington to write their version of a letter for our December newsletter...Alex came up with this (this is why Mary Kay Cosmetics needs her as a leader)

'Let's have a Decked Out December Ladies!!!'

What an amazing trip to NYC representing our unit on the Jumbo Tron in Times Square. What an Honor!! The city was all decked out with Holiday trimmings- the lights- the ornaments and the trees!! This can be a busy season, so let's stay focused and determined to work consistently and with the same excitement - use it to propel us forward!!!

I couldn't have said it better. Congratulations to Diane Brault and Deb Moore for earning the TRIP!!! My hats off to you!!!! I wish that the entire unit could have joined us!! I am blessed beyond even knowing how to thank you for being "Such a Unit of EXCELLENCE" You shine in everything you do!!! Even when we get 'no's'- we handle them well!!!

Your Favorite words for the Next 20 days should be "Have you Finished Your Christmas Shopping Yet?" Everyone needs Mary Kay on their shelves and in their lives!!! Believe it- Act Upon it and You Will Love Your Efforts!!!

Love, Respect and Belief

Many consultants find that they sell what they use, which make perfect sense. You know how to use the product, order of application and the benefits of each. Giving you confidence, knowledge, and excitement when selling!

You deserve success right away, and it starts with YOU!

Step 1 = Toss out all other brands in your cosmetic and skin care wardrobe! Could you imagine someone asking you what shade your eye color is and having to tell them it's brand "X". So be true to your business - and go all the way.

Step 2 = Look at the product list on the left, check off any you are currently using. Then grab a copy of the current Look Book and go shopping for any unchecked items. Use the form below for your color selections and items not listed.

Four Secrets to a Perfect Party

1. Set a goal! Multiply the cost of the product you want to earn FREE x 5 to know your sales goal. (Ex. \$100 free = \$500 in sales)
2. Invite 20+ people. Of the 20, 4-5 will actually come. The 15-16 that can't make it are a great place to get your outside orders. Take your catalog to work.
3. Arrange for child care and encourage your guests to do the same. Relax. Take the night off of taking care of everyone else and take care of you!
4. Save refreshments until the end while I meet with guests individually.
