

Adopt a Grandparent

It's that time of year when we want to do something to help make the holidays special for people in our community.

Show some Love this Holiday Season

Our Mary Kay Unit is adopting the residents at our local nursing homes and we want to present each of them with a special gift bag for Christmas.

Each gift bag will include one of three options!

- Our wonderful **Fragrance-Free Hand Cream** and an **Extra Emollient Night Cream**
- A **Fragrance-Free Hand Cream** and a **Mint Bliss Energizing Lotion for Feet and Legs**
- A **Hydrating Lotion** and a **Fragrance Free Lip Balm**

Each gift bag will also include a warm pair of socks and a teddy bear!

We are asking members in our community to help us with the project by adopting a grandparent for Christmas. Your **\$25 donation** will provide one of the special gift sets to a nursing home resident. A Christmas card will be attached to the gift bag so they will know the gift is from you! If you own a business and would like to attach a business card, that would be wonderful!

We will be presenting these gifts a little before Christmas and if you'd like to join us, please let us know!

Thank you so much for making this a more festive Holiday for the residents of our local nursing homes!

Your Gift Receipt:

Business or Individual Name: _____

Number of Gift Sets: _____ @ \$25 each equals \$ _____

Date: _____ Received by: _____
