

A Soldier's Hands – CARING FOR THEIR HANDS – CARING FOR THEIR HEARTS

Dear Friend,

August 1, 2007. What would you do? Overbooked flight. One empty seat available. A young man with sunburned, blistered hands and days from leaving for Iraq. An offer to send skincare products to protect the young man was received by this comment, "I appreciate your offer, however I would be uncomfortable receiving a gift knowing not everyone in my unit will receive a mail call". The result, 177 gifts received Thanksgiving Day.

Since then, A Soldier's Hands has distributed over 6,400 individual care packages, unit by unit, with no soldier or sailor in the unit going unacknowledged.

Our mission is to send hand care products inside a care package to every single service man and woman who is deployed defending our freedom. We achieve this one unit at a time, with personalized thank you notes in each care package, along with sun screen, hand cream, lip balm and other surprises.

For the full story, please go to our website at www.asoldiershands.org

Spring 2019.

Fast forward to today. The USS Ronald Reagan, home to 3,200 sailors. Our goal is to put a care package in each of their hands by the 4th of July. It will take our own Army of sorts to accomplish such a lofty, worthy mission. We are 2/3 of the way to our goal of serving all on the USS Reagan. We will not ship 1 package until we can ship all 3,200 of them.

Why the USS Reagan?

"I offer a heartfelt thank you for your support following the tragic collision which occurred on June 17, 2017. As the ship's Commanding Officer, I can personally attest to an increase in crew moral resulting from your kindness". Garrett Miller, Commander, U.S. Navy, Commanding Officer USS Fitzgerald (DDG 62)
"Your support of our Sailors after this tragedy reminds them they are not alone and inspires them as they work to return to full capacity. Thank you for your encouragement during this challenging time." M. H. Dalton, Rear Admiral, U.S. Navy, 7th Fleet

We need your support.

So I am asking you if you would like to donate- \$45.00 for a package that will go to the USS Reagan. It will include a fragrance free hand cream, a lip protector SPF 15 and a Sunscreen SPF 50. It would also include a note to a soldier that would be awesome!!! You can order as many of these sets as you choose....any amount will be greatly appreciated!!!

Sincerely,
